

# THEORY OF CONVERGENCE

不愿被束缚在世俗定义的标准之下  
不愿被局限在他人的刻板印象之下  
因此，在2014年，我们聚合在一起，为你们带来多元的冲击。  
我们不需要被定义，我们不需要被赋予  
只需要，你的聆听。  
我们是Theory of Convergence，我们是TOC。  
在不远的未来，一个全新的开始即将到来，请期待我们在 2017 年的新专

Theory Of Convergence (TOC) was founded in Shanghai in April 2014 and has been an active member of the local rock underground circuit since then. Their heavy rock is made of furious guitar riffs, an intense and tight rhythm section and beautiful vocal melodies. They just released 2 songs on Union EP and have started the recording of their first full length album to be released in 2017.
